Pure Water Pools is not responsible for any leaking in underground piping, conduit, niches or any other unknown leaks between pool equipment and spa. Pure Water Pools is not responsible for the failure of any pool equipment before, during or after a pool renovation, unless the replacement of the pool equipment is included in this proposal.

Please note: If during the surface prep stage of the renovation, it is determined that the entire pool surface needs to be stripped, there will be an additional charge. Stripping the pool and spa surface is not included in this proposal, unless explicitly noted.
